About IMTMA

Indian Machine Tool Manufacturers' Association (IMTMA) is the apex industry association for Machine Tool Industry in India.

Constituted in 1946, Indian Machine Tool Manufacturers' Association (IMTMA) is a single point of contact for the machine tool industry in India. IMTMA has a membership of about 500 companies both the public and private sectors, manufacturing a wide range of metal-cutting and metal-forming machines, accessories, cutting tools and other allied equipment.

The association has over the years deeply committed itself to focus on issues of productivity, quality, technology, new product development, design, customer satisfaction, etc., for enhancing competitiveness of the industry in both domestic and overseas markets. IMTMA is proactive in taking new initiatives to promote advancement of metalworking industry in India. IMTMA organizes the prestigious IMTEX and Tool Exhibition, where both Indian and overseas manufacturers showcase their metalworking machines, equipment and tools.
