

Indian Machine Tool
Manufacturers' Association

7 - 10 September 2026

Pune International Exhibition and
Convention Center, Moshi, Pune

**Driving Innovation and
Powering Manufacturing**

Powered by

Co-located Show

About the Exhibition

Pune Machine Tool Expo 2026 (PMTX 2026) is a premier B2B exhibition showcasing the latest advancements in machine tools, manufacturing technologies, factory automation, and precision engineering solutions.

Organised by the Indian Machine Tool Manufacturers' Association (IMTMA), the expo serves as a dynamic platform connecting technology providers with serious buyers and decision-makers across key industries.

Co-located with FACTEQ 2026, the exhibition delivers a complete factory solutions ecosystem under one roof.

Why Pune? - The Manufacturing Powerhouse in the West

Located in the heart of Maharashtra's industrial belt, Pune offers:

- Strong presence of automotive, aerospace, and engineering industries
- Thousands of MSMEs and Tier 1 & 2 suppliers
- Advanced infrastructure and skilled workforce
- A thriving ecosystem for innovation, R&D, and smart manufacturing

Exhibitor Profile

Explore a comprehensive range of technologies and solutions:

- Machine Tools: CNC machines, machining centres, EDM, milling & drilling
- Metal Cutting & Forming: Presses, grinding, forging, extrusion systems
- Tooling & Metrology: Cutting tools, dies, measuring instruments
- Automation & Industry 4.0: Robotics, smart manufacturing, CAD/CAM
- Factory Equipment (FACTEQ 2026) and many more..

Why Visit PMTX 2026?

✔ Experience Live Technologies

Witness live machine demonstrations and real-time applications to understand performance, efficiency, and output.

✔ Discover the Latest Innovations

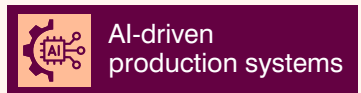

Explore cutting-edge solutions in:

Automation &
Robotics

Digital
Manufacturing

AI-driven
production systems

✔ Upgrade Your Manufacturing Capabilities

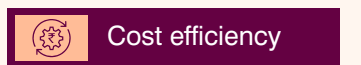

Identify solutions that enhance:

Productivity

Quality

Cost efficiency

Your Gateway to Smarter Manufacturing

Pune Machine Tool Expo 2026 is not just an exhibition. It is a business-driven platform where technology meets opportunity.

Who Should Visit?

- Key decision makers & C-suite executives
- Plant Heads & Factory Managers
- Production, Quality & Maintenance Heads
- Purchase & Procurement Professionals
- MSME Owners & Entrepreneurs
- Design, R&D & Process Engineers and many more..

Highlights from Pune Machine Tool Expo 2024

*(based on PMTX 2024 data)

About Venue

The Pune International Exhibition and Convention Centre (PIECC), located in Moshi, Pune, is one of India's largest exhibition and convention facilities, developed to host trade fairs, conferences, expos, and cultural events. Since its establishment, it has become a key venue for national and international events, contributing significantly to business, tourism, and industrial development in the Pune region, particularly in the Pimpri-Chinchwad area.

Indian Machine Tool
Manufacturers' Association

IMTMA formed in 1946 is the apex body and single point of contact for the machine tool industry in India. IMTMA plays an active role in the growth and development of the machine tool industry in India through a wide range of initiatives such as policy advocacy, export promotion, trade fairs, mega events, training, seminars, technology missions, publications, etc.
