Each stand will be provided with one outlet for electricity, compressed air and water of adequate capacity depending upon the requirements received from each exhibitor. The installation work inside the stand should be carried out by authorized/specialist electrical contractors which must be informed to the Organisers in advance. The Organisers shall be authorised but not obliged to supervise the installation work. The exhibitor shall be liable for any damage caused by the installations.

Machinery and equipment which are not authorised, do not comply with the relevant regulations or have a higher consumption of power and other services than stated in the application, will be removed at the exhibitor’s expense. The exhibitor shall be liable for all damages resulting from unregulated consumption of energy. The technical implementation committee shall not be liable for any losses or damage resulting from disruptions in energy supply.

25. Security
The Organisers shall be responsible for general hall security. Security services will be in place from erection period till the close of the dismantling period. The Organisers shall be entitled to carry out any checks needed for security. The general security service provided by the Organisers shall not affect the exclusion of liability for all personal injury and damage to property.

Exhibitors may hire security staff from the security company appointed by the Organisers to guard their exhibits in their own interest. Tariff and order forms for ordering security by exhibitors would be available in the Exhibitors’ Manual.

26. Cleaning
The Organisers shall be responsible for general cleaning of the hall and aisles. Exhibitors shall be responsible for stand cleaning, which must be completed daily before the exhibition opens.

Exhibitors who wish to engage cleaning services may employ companies approved by the Organisers, details of which would be available in the Exhibitors’ Manual.

27. Dismantling
Stands may be dismantled only after end of the exhibition. The halls must be completely cleared including restoration of flooring before 10:00 pm on 14.08.2017. Thereafter, Organisers shall have the discretion to remove and store goods until claimed by the Exhibitor. All costs of removal and storage as well as the risk of theft, loss or damage shall be borne by the Exhibitor.

28. Damage
At the close of the exhibition the stand including hall flooring shall be restored by the exhibitor to its original condition at the time of occupation. The exhibitor shall be liable for any damage to fixtures and fittings made available, and specifically for damage to hall flooring.

29. Access to third-party stands
Third-party stands may not be entered outside opening hours without the permission of the exhibitor.

30. Sales
Exhibits may be delivered to customers after the end of the exhibition. Legislation and regulations must be complied with by the exhibitor in connection with sales and delivery to customers.

31. Advertising on fair grounds
a. Printed matter and advertising material may only be distributed from the stand and not in hall passages or outside the exhibition hall.

b. All exhibitor advertising material must relate to the exhibition, complying with the law and public policy and should not be political or ideological in character. Comparison and superlative advertising are not permitted. The Organiser shall be entitled to prohibit the distribution and display of advertising which may arouse objection and shall confiscate such material for the duration of the exhibition.

c. Audio visual displays by exhibitors should be restricted to their stands only. Causing of
disturbance to outsiders is prohibited. The Organiser shall be entitled to intervene and discontinue or remove equipment if they cause any disturbance in their opinion.

**Article V**

32. Force majeure
33. Limit of liability
34. Local & site regulations
35. Safety regulations
36. Photographs & Films

**32. Force Majeure**

Under the conditions of Force Majeure, which also include strike, lock-out, bandh or riot, natural calamities and other events and decisions beyond the control of the Organisers, the Organisers are entitled to alter the opening dates and duration, or even cancel the entire exhibition. In the event of cancellation of the exhibition the participation charges will be refunded to Exhibitors after deduction of costs already incurred by the Organisers, proportionately.

**33. Limit of liability**

Organisers are not liable for any loss or damage to Exhibitors’ property at the exhibition site or injury to their personnel and visitors. Exhibitors shall agree to refrain from making any claim on the Organisers and indemnify claims, if any, by third party, arising out of Exhibitors’ conduct. All disputes shall be subject to bangalore Court jurisdiction.

**34. Local & site regulations**

Exhibitors agree to abide by the local and site regulations with respect to law and order, safety etc. The Organisers will take necessary action against exhibitors who do not comply with the guidelines and regulations. Exhibitors are requested to co-operate with the Organisers and their authorised representatives who wish to inspect/examine all the exhibits displayed in their stands.

**35. Safety regulations**

Generally accepted safety regulations relating to technology, labour, safety and accident prevention must be followed by the exhibitors. Proper safeguards must be provided on the exhibits for protection against sparks, flying chips, heat etc. Organisers are entitled to prohibit operation of machines or equipment, if in their opinion, they pose a danger and annoyance to visitors/other Exhibitors.

**36. Photographs & films**

Organisers have exclusive right to take photographs and films of the exhibition stands. Prior permission of the Organisers will be essential for taking photographs and films by Exhibitors for areas other than their own stands.
We apply for participation at MTX 2017. We have read the guidelines, rules and regulations, and under take to abide by them.
