## Expressions

What exhibitors said:

- “Regional shows like Pune Machine Tool Expo help in bridging the gap between us and the region’s local industry and enable us to showcase customized solutions and machines to cater to its needs.”  
Harish B., Vice President, Micromatic Machine Tools Pvt. Ltd.
- “Pune Machine Tool Expo presented a perfect platform to consolidate existing ties and forge new bonds. The aim was to further our mutual business goals.”  
Meetali Mukherjee, Director, Hydax Hydraulics Pvt. Ltd.
- “We met our existing and potential customers at our stall which will help us in enhancing our brand value.”  
P. S. Ganesan, Director, Kabelschlepp India Pvt. Ltd.

What visitors said:

- “A very well organized show. The expo is very useful for industries situated in and around Pune.”  
Rajesh, Spark Engineers Manufacturers Association of Satara

- “The expo was very well organized and the presentations by the exhibitors were excellent.”  
Premchand Goliya, Chairman and Managing Director, MECO Instruments, Mumbai and  
Former President of IEEMA
- The exhibition was very well organized. The 4-axis and 5-axis machinery displayed were  
worth viewing. The overall experience was significantly good. I have visited IMTEX and  
I got the same feeling at this Pune Machine Tool Expo 2018 as well.”  
Ashish Bhosale, Owner - Ashish Industries.
- “We were highly satisfied with the exhibition. We were impressed with the innovative  
products displayed and hope to gain substantially from the show.”  
Sujit Mohanpurkar, Director, Prohab Services LLP
- “The expo opened new business opportunities. It was very well organized. The  
management was extremely cordial. Well done.”  
Shubhangi Jadav, Gestamp, Chakan
